

Our Mission

We are comprised of foster/ adoptive parents, business leaders, community partners, and involved citizens. Our mission is to restore hope to the abused, neglected, and hurting children in our communities by providing them with quality resources and a collective voice.

Our role is not that of service provider, however, it is to be a resource organization that provides opportunities to enhance the lives of children in care through our partnerships with many service agencies in Bay and Gulf County. A few of our yearly events include: Christmas Carnival, Christmas gift assistance, Spring Fling, Back to School Bash and a variety of other events. We appreciate you taking the time to learn more about us. If you would like more information on becoming a member of the association, please contact our President, Randy Butler at 277-0945.
